## SAFETY DATA SHEET

---

### 1 Identification of the substance or preparation and of the company/undertaking

Product Name: **Rhythm & Blue Repose Night Cream**  
Datasheet Number: JP2924 1.0.0  
Product Part Number: JP2924  
Chemical Name: N/A Product is a Mixture  
Compiled Date: 14/11/2011  
Compiled By: Peter Jarvis Developments Ltd  
Name of Supplier: Jarvis  
Address of Supplier: 7/9 Hadleigh Business Park,  
Pond Hall Road,  
Hadleigh,  
Suffolk,  
IP7 5PW  
England  
Telephone: 01473 822300  
Fax:  
Responsible Person: Peter Jarvis, Director  
Email: enquiries@pjd.co.uk  
Name of Manufacturer: As Supplier  
Address of Manufacturer: As Supplier  
Emergency Telephone: 01473 822300

---

### 2 Composition/information on ingredients

Chemical Name	CAS Number	EC Number	R Phrases	Symbols
Refer to ingredient listing on pack				

---

### 3 Hazards identification

- Environmental Hazards: None Known at present
- Human Health Hazards: Not considered a hazard under normal or reasonably foreseeable conditions of use.

---

### 4 First aid measures

#### Contact with skin

- Not considered a hazard but if any discomfort is caused after application then wash affected area with plenty of soap and water.

#### Contact with eyes

- If substance has got into eyes, immediately wash out with plenty of water

#### Ingestion

- If swallowed may cause slight, transient irritation to the mouth and upper digestive tract. Seek medical advice if symptoms persist.

## 4 First aid measures (....)

### Inhalation

- It is unlikely that inhalation will be a route of exposure. Seek medical advice if an adverse reaction should occur.
- 

## 5 Fire-fighting measures

- Product is not flammable
- 

## 6 Accidental release measures

### Immediate Actions

- Contain spillage by any means possible
- Soak up excess with absorbant compound
- Wash floor with water and dry

### Clean Up Actions

- Place in appropriate container
- Remove contaminated material to safe location for subsequent disposal

### Special Precautions

- No special precautions are required for this product
- 

## 7 Handling and storage

### Handling

- Handle and open container with care (S18)
- When using do not eat or drink (S20)

### Storage

- Keep in a cool, dry place
  - Store above 0 °C (Avoid freezing)
  - Avoid fluctuating temperatures
  - Keep in a cool, well ventilated place away from oxidising substances(S3/9/14)
  - Keep container tightly closed (S7)
- 

## 8 Exposure controls and personal protection

### Exposure Limits

- No exposure limits have been set for this substance

### Exposure controls

- No special precautions are required for this product

### Occupational exposure controls

- Wear suitable protective clothing, including eye/face protection and gloves (cotton or poly/cotton are recommended)

### Precautionary measures

- Ensure adequate ventilation
-

## 9 Physical and chemical properties

- See release specification (PIP) for details.
- 

## 10 Stability and reactivity

- No known reactions
- 

## 11 Toxicological information

Toxicological information

- Has not been subject of animal tests.
- 

## 12 Ecological information

Ecotoxicology

- This product has not been the subject of ecotoxicological testing but has no known ecotoxicological effects.
- 

## 13 Disposal considerations

Classification

- No information available

Disposal considerations

- This material and its container must be disposed of in a safe way (S35)
- 

## 14 Transport information

- Not classified as hazardous for transport
  - No special precautions are required for this product
- 

## 15 Regulatory information

Classification and labelling

- The data given here is based on current knowledge and experience. This Safety Data Sheet describes the product in terms of safety requirements and does not signify any warranty with regard to the product's properties
  - Not classified as hazardous for supply
  - To the best of our knowledge, the properties of this material have not been fully evaluated
- 

## 16 Other information

Please note that in section two Composition/information on ingredients, the ingredient is not listed for final label copy, but as demonstration as to what is in the product.
