⚠ **WARNING 2:** These products can expose you to chemicals including lead, which is known by the State of California to cause cancer, birth defects, and/or other reproductive harm. For more information, go to www.P65Warnings.ca.gov

SUPPORTING MAINTENANCE EDUCATION PROGRAMS TOGETHER

As presenting sponsor, HD Supply Facilities Maintenance will contribute up to \$6,000* to enhance local apartment associations' programs, such as trade shows, education sessions, and maintenance appreciation days. A contribution is made to each National Apartment Association (NAA) affiliate or member who hosted a Maintenance Mania® event during the September 2018 to April 2019 competition season.

Help your local association by:

- Purchasing products during the promotional period from the sponsors who make Maintenance Mania® possible
- Using **Source Code AVL** every time you order during the promotional period†
- Placing your order at **1.800.431.3000** or **hdsupplysolutions.com/maintenancemania**

*The maximum contribution is based on association unit count as reported by NAA. Payouts to NAA members with fewer than 100,000 units are capped at \$4,000. Payouts to NAA members with 100,000 units or greater are capped at \$6,000. To be eligible, the total Net Qualifying Purchases by all of the NAA member's units must be equal to or greater than \$1.00 times the total number of units for such NAA member, as reported by NAA. The payout is calculated as follows: 6% of Net Qualifying Purchases of any A.O. Smith®, SmartComfort® by Carrier, SmartBurner®, Fluidmaster®, Frigidaire®, Kidde®, and Kwikset® products, plus 4% of Net Qualifying Purchases of any other product in the HD Supply Facilities Maintenance Multifamily Solutions catalog. "Net Qualifying Purchases" are gross purchases less returns, shipping, and taxes. Special order and renovation purchases do not qualify for this program.

†Using the source code ensures you will receive the promotional pricing offered by the national sponsors in the brochure and allows HD Supply Facilities Maintenance to track all Net Qualifying Purchases. Qualifying customers only.

EARN UP TO \$6,000 FOR YOUR ASSOCIATION

Use **Source Code AVL**, and for each order placed with HD Supply Facilities Maintenance between May 6-June 16, 2019, we will give a percentage of qualifying purchases to your participating association to use on multifamily industry education programs. Your association could receive a maximum contribution of up to \$6,000 (details at left).*

EMPOWERING MAINTENANCE HEROES

BRANDON GAY IS YOUR 2018 MAINTENANCE MANIA® NATIONAL CHAMPION

Brandon Gay was named National Champion with a winning time of 1 minute, 7.297 seconds at the National Apartment Association's (NAA) 2018 Maintenance Mania® competition in San Diego. Brandon, an employee of ContraVest (a member of the Apartment Association of Greater Orlando), was among the 20 finalists, out of thousands of qualified contestants nationwide, to battle for the coveted title.

Racing against the clock, Brandon outpaced other highly skilled maintenance technicians competing to see who was the fastest at performing seven commonly encountered maintenance tasks. Challenges included water heater installation, toilet repair, icemaker installation, and ceiling fan assembly. The finale featured a race car competition where contestants launched model cars down a pinewood derby-style track. Each race car was hand-built using at least three maintenance products.

The Maintenance Mania® national title included a grand prize package worth nearly \$5,000, courtesy of presenting and national sponsors.

The total prize package for winners and spectators totaled nearly \$15,000.

The 2019 Maintenance Mania® National Championship will take place on June 28 in Denver.

WHAT YOU DO IS MORE THAN A JOB

You are the problem solvers. The improvers. The maintenance heroes who come to the rescue when your property calls.

That's why HD Supply Facilities Maintenance proudly supports maintenance education.

From sponsoring events, like Maintenance Mania®, to offering career-accelerating training and certification classes, **we're on it.**

RESIDENTIAL STANDARD EMISSION GAS WATER HEATERS

DYNACLEAN™ DIFFUSER SYSTEM

- Reduces sediment buildup
- Heats water faster
- Extends useful life of tank

BLUE DIAMOND® TANK PROTECTION

- Industry-leading enamel lining
- Twice the protection vs. industry standard
- Maximum protection against leaks

COREGUARD™ ANODE ROD

- Industry-leading anode technology
- Stainless steel core
- Enhanced protection against anode failure

HONEYWELL GAS VALVE

- Enhanced gas valve
- LED diagnostics to assist in troubleshooting
- Pilot on LED indicator

BRASS DRAIN VALVE

- Tamper-proof, low-restriction design
- Drains tank faster
- Reduces service time

CHECK OUT OUR CARBON MONOXIDE GUIDE

Carbon monoxide can be deadly in just minutes if left undetected. Many states and municipalities require the installation of carbon monoxide alarms by law. Having carbon monoxide alarms properly placed throughout your facility can help detect unsafe levels of carbon monoxide.
