EMPOWERING MAINTENANCE HEROES

RACHID CHABRAOUI IS YOUR **2019 MAINTENANCE MANIA NATIONAL CHAMPION**

Rachid Chabraoui was named National Champion with a winning time of 1 minute 6.739 seconds at the National Apartment Association's (NAA) 2019 Maintenance Mania® competition in Denver. Rachid, an employee of Kettler (a member of the Apartment & Office Building Association of Metropolitan Washington. DC), was among the 20 finalists, out of thousands of qualified contestants nationwide, to battle for the coveted title.

Racing against the clock, Rachid outpaced other highly skilled maintenance technicians competing to see who was the fastest at performing seven commonly encountered maintenance tasks. Challenges included water heater installation, toilet repair, icemaker installation, and air conditioner repair. The finale featured a race car competition where contestants launched model cars down a race track. Each race car was hand-built using at least three maintenance products.

The Maintenance Mania® national title included a grand prize package worth nearly \$5,000, courtesy of the presenting and national sponsors.

The total prize package for winners and spectators totaled nearly \$15,000.
