The figure consists of three diagrams, each representing a different memory layout for a 2D array. Each diagram shows a grid of elements, with dimensions WIDTH and LENGTH indicated. The first diagram shows a row-major layout where elements are stored sequentially by row. The second diagram shows a column-major layout where elements are stored sequentially by column. The third diagram shows a row-major layout with a separate COMMENTS column on the left.

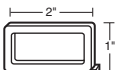

Screens are sold by United Inch.

NOTE:

Please indicate hardware required by placing letter of item (below) at the install point on the diagram.

On orders of 10 screens or less, freight charges may apply.
