### INDICATE FINISHED OPENING SIZE†

You may provide measurements to the nearest 1/16".

1. Finished opening size denotes the opening to be entirely finished, including drywall, trim, and flooring.
2. Our manufacturers are unable to accept rough opening size or actual panel sizes as they cannot guarantee a proper fit.
3. For opening widths less than 36" door unit will consist of 2 panels/leaves (bi-fold).  
For widths greater than 48" door unit will consist of 4 panels/leaves (double bi-fold).

†For widths 36-48", you should specify the number of panels/leaves you desire in the Additional Information box below; otherwise manufacturer will produce standard option.
