Dear Valued Customer,

Thank you for inquiring about the option to initiate EFT/ACH (Electronic Funds Transfer or Automated Clearing House) procedures to handle your future payments.

We are delighted to be your partner in setting up this process, which is a powerful way for both of us -- your firm as well as ours -- to reduce handling costs and gain valuable efficiencies.

Here is the key information you need to get started:

Bank Information:	Wells Fargo Bank Jennifer Edwards PO Box 63020, San Francisco CA 94163 (213) 614-3748 Fax #: (866) 479-5699
Transit Routing # (ABA):	121000248
Bank Deposit Account #:	4496859257
Type of Account:	Checking/Depository
Our Federal ID Number:	52-241885-2

In order to take full advantage of this payment method, it is very important that you include invoice number and customer number along with your payment. This information should be placed in the 60-character Text Summary Field provided for that purpose. Additionally, sending a confirmation email to [fneft@hdsupply.com](mailto:fneft@hdsupply.com) with remittance information will ensure your payment is applied as expected.

If you require additional information regarding EFT/ACH procedures, we suggest contacting your financial institution.

We look forward to working with you as our business partnership grows. We appreciate this opportunity to serve you and if we may answer any questions personally, please do not hesitate to contact us.

Sincerely,

Credit Services
