

The Best Way to Dispose of Paint

XSORB Rock Solid Paint Hardener 4 gal. pail

Part #: 531392

Absorbs up to 25 gallons

XSORB Rock Solid Paint Hardener 23 lb. bag

Part #: 122833

Absorbs up to 38 gallons

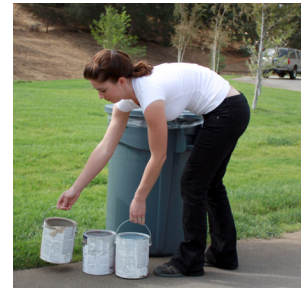

Rock Solid is the legal and environmentally friendly way to absorb and dispose of old or unwanted paint.

1. Pour
Pour a small amount directly into the container.

2. Stir
Using a paint stick, mix well. Add more Rock Solid in small increments until ideal consistency is reached.

3. Dispose
In just a few minutes, the paint will be completely solidified and ready for disposal.

Rock Solid Highlights

- Absorbs in a few minutes not a few hours
- EPA approved paint disposal method
- Use on latex, water & oil-based products
- Absorb solvents and stains
- Non-leaching, permanent encapsulation
