

3M Safety Products For The Marine Industry

Respirator Administration and Workplace Hazard Identification Process

Convenient, Comprehensive Solutions

3M Respirator Applications Wheel

3M™ Full Facepiece Respirators
6000 Series

3M™ Speedglas™ Products

3M™ Half Facepiece Respirators
6000 Series

3M™ Half Facepiece
Respirators
6000 Series

3M™ Full Facepiece
Respirators
6000 Series

3M™ Particulate
Filter 7093

3M™ Particulate Filter 2091

3M™ Belt-Mounted Powered Air Purifying Respirator (PAPR)
Paint Spray Kit GVP-PSK Kit. Use 3M™ High Efficiency Cartridge GVP-440

3M™ Particulate Respirator
8210, N95

3M™ Particulate Respirator
8511, N95

DISPOSABLE

3M™ Organic Vapor Respirator Assembly
51P71, 52P71, 53P71

REUSABLE

3M™ Professional Respirator Assembly
Series R7511ES, R7512ES, R7513ES
with 3M™ Organic Vapor Cartridge 6001

3M™ Belt-Mounted Powered Air Purifying Respirator (PAPR)
Paint Spray Kit GVP-PSK Kit. Use 3M™ High Efficiency Cartridge GVP-441

3M™ Particulate Respirator
8247, R95, with Nuisance
Level Organic Vapor Relief*

3M™ Full Facepiece Respirator
Assembly OV/P95
67P71, 68P71, 69P71

3M™ Professional Series Half
Facepiece 7500 Series with
3M™ Face Shield Kit 1631

* Nuisance level refers to concentrations not exceeding OSHA PEL/OEL or applicable exposure limits, whichever is lower.

Note: This wheel lists respirators available for various processes. Actual selection must be done by identifying the hazards and determining their concentration in the work environment.

3M™ Organic Vapor Cartridge/Particulate Filter, P95 Packout R6022

3M™ Professional Series Respirator Assembly R7511ES, R7512ES, R7513ES

3M™ Full Facepiece Respirators 6000 Series

3M™ Supplied Air Respirator Systems H-Series Hoods

3M™ Belt-Mounted Powered Air Purifying Respirator (PAPR) Paint Spray Kit GVP-PSK Kit. Use 3M™ Organic Vapor/High Efficiency Cartridge GVP-441

REUSABLE

3M™ Professional Series Half Facepiece 7500 Series

3M™ Speedglas™ Products

3M™ Particulate Welding Respirator 8515, N95

3M™ Particulate Welding Respirator 8515, N95

3M™ Full Facepiece Respirators 6000 Series

3M™ Organic Vapor/Acid Gas Cartridge 6003

3M™ Multi Gas Cartridge 6006

3M Offers A Comprehensive Package Of Products And Services For The Marine Industry

- 3M has a wide variety of respiratory products appropriate for most contaminants found in the marine industry
- We also have many other safety products that can be used to enhance worker safety and comfort
- We offer training programs to help keep the workplace safer and to help the customer comply with industry regulations. Some of these programs are web-based for greater accessibility and effectiveness
- 3M can be a one-stop source for most safety products needed in the marine industry. This can lead to more efficient inventory, as well as greater component compatibility and user acceptance
- Our experience in dealing with many industries can open the door to new products and technologies that could help the customer become more effective and competitive
- We have extensive application and technical expertise that can help the customer in a variety of ways

Important

Before using these respirators, you must determine the following:

1. The type of contaminant(s) for which the respirator is being selected.
2. The concentration level of the contaminant(s).
3. Whether the respirator can be properly fitted on the wearer's face.
All respirator instructions, warnings and use and time limitations must also be read and understood by the wearer before use.

Before use of these respirators, a written respiratory protection program must be implemented, meeting all the requirements of OSHA 29 CFR 1910.134, including training, fit testing and medical evaluation.

WARNING : Respirators

These respirators help reduce exposure to certain airborne contaminants. **Misuse may result in sickness or death.** For proper use, the wearer must read and understand User Instructions provided as a part of product packaging. For proper use, see supervisor, packaging, or call 3M OH&ESD Technical Service in the U.S.A. at 1-800-243-4630. In Canada, call 1-800-267-4414. Time use limitations may apply.

3M™ Health And Safety Services: On-Line Products To Help Personnel Be Safer On The Job

Medical Evaluations

Employers are required to provide a respirator medical evaluation to persons who may be required to use a respiratory protection device. 3M offers an On-Line Respirator Medical Evaluation which allows respirator users to quickly complete an interactive OSHA medical questionnaire using any computer with Internet access. Results are provided immediately. This is an easy-to-use method to have employees evaluated and prepared to use respirators when needed.

3M™ Respiratory Protection e-Training

3M Respiratory Protection e-Training is an on-line, interactive service that uses the latest techniques to maximize learning. It is customizable and allows access to training records, training curriculum and test results at any time.

For additional information on either of these services, please visit www.respexam.com or call 1-800-383-3393.

Respirators are Officially Licensed Products of NASCAR
