## DESCRIPTION

Composite sling is a composite mesh fabric woven using PVC coated polyester, and is a material ideally suited to the outdoor environment.

## DURABILITY

Oxford Garden's composite sling is created to withstand both outdoor elements and commercial environments, ensuring the furniture will last for years. Durable, easy to maintain, comfortable, and available in many colors, the sling options allow for personalized style in any environment.

## CARE AND MAINTENANCE

Composite sling products should be cleaned by scrubbing with a mild, non-foaming, commercial cleanser. Rinse thoroughly to remove all cleaner residue and air dry.

## WARRANTY

Oxford Garden warrants all outdoor furniture and accessories to be free from manufacturing defects in materials and workmanship. Provided the furniture is assembled correctly and is subjected to normal use, Oxford Garden will cover your outdoor furniture under a five, three, or one year warranty as applicable.
