TRUST BUILT ON
TRANSPARENCY

Gloves often don’t live up to their advertised specs. In fact, most disposable gloves are not even manufactured based on *thickness*; they are specified based on *weight*.

Our Tradex Labs™ team has evaluated thousands of our competitors’ gloves to ensure our recommendations provide a true apples-to-apples comparison. With our Glove Assessment Kits™, you can even send us samples to receive a TrueSpec™ Report of your customers’ existing gloves. Ask your Tradex sales representative for details.

TRY BEFORE THEY BUY

Seeing is believing. That’s why we’re happy to provide samples of our AMBITEX® brand gloves FREE of charge. We’ll even ship them directly to your customer on your behalf. Protecting your customers and those they serve is a responsibility we take very seriously. Let us earn the confidence of your customers’ glove users *before* a switch is made.

YOUR SUCCESS IS OUR
SUCCESS

Because nobody is happy unless your customer is, we back all of our AMBITEX® brand gloves with a no hassle satisfaction guarantee. Simply put, if ever our products fail to meet your customers’ expectations, we’ll replace it or refund it within six months of purchase.
