

HIGH-CAPACITY CONTROLLED-USE BATH TISSUE

REN06122-WB
(2472214)

Features:

- Green Seal™-certified
- High capacity to go longer between refills
- High-quality alternative to coreless and mini jumbo
- Patented OptiCore® technology reduces waste and optimizes savings

Description:

The Renown High-Capacity OptiCore® perforated tissue surpasses the look and feel of typical high-capacity tissue at competitive pricing. Renown tissue is Green Seal-certified and ideal for the environmentally conscious. This tissue requires one roll to be fully utilized before the next is accessible. Once a roll has been depleted, the core remains securely inside the dispenser, ensuring no cores are left on the floor or make their way into the plumbing system. Offering 2,000 sheets per roll, the Renown High-Capacity OptiCore tissue ensures continuous supply and extended maintenance cycles -- a true efficiency and comfort solution.
