Rubbermaid® Microfiber Loop Dust Mops

Microfiber Performance: Engineered with continuous filament bi-component Microfiber yarn along with blend mop yarns, providing superior cleaning efficacy. Extended Life: Double the durability of standard dust mops. Microfiber yarns allows these advanced products to withstand two times the laundry cycles at 160F wash temperatures and with the same detergents compared to standard dust mops. Environmentally Sustainable: Contains 42% post-consumer recycled PET plastic (soda bottles) and 28% post industrial cotton. Traditional Dust Mop Tools: Requires no adapters, or new flat-mopping handles or frames, allowing consumers to reduce capital investment.

Rubbermaid® Web Foot® Microfiber Tube Mops

Microfiber Performance: Engineered with continuous filament bi-component Microfiber yarn for superior cleaning efficacy, superior absorbency and release characteristics. Twice the cleaning power versus a standard cotton mop! Extended Life: Triple the durability of standard blend mops. Lasts 200+ launderings. Improved headband and tailband construction allows these advanced products to withstand three times the laundry cycles at 200F with the same detergents (including bleach!). Improved Productivity and Safety: Faster drying floors, superior absorbency and release characteristics result in both productivity gains and lower operating costs. Striped tube design reduces drag and for improved user comfort. Cleans 54% faster than a standard cotton mop. Compatible With Standard Wet Mop Tools: Requires no adapters or new flat-mopping handles or frames.

Floor Pads

3M™ Trizact™ Diamond HX Discs

Consist of precisely-patterned, composite abrasive structures distributed uniformly on a flexible backing. As these structures wear, fresh, sharp diamond abrasive is continually exposed, resulting in uniform, consistent and fast cutting action through the life of the product. Red for refurbishing and initial finishing of worn and damaged stone floors using low-speed rotary or automatic equipment. Blue for intermediate finishing and pre-polishing stone floors using low-speed rotary or automatic equipment.

Ice Melter

Peladow® Ice Melters

Unlike rock salt & potassium chloride, Peladow® calcium chloride readily attracts moisture from the atmosphere, allowing it to form a liquid brine very quickly and fan out beneath the ice, breaking its bond with the pavement. Other deicers lose their effectiveness quickly when they become diluted with water. But even when diluted to 20% concentration, Peladow® keeps working down to -4 degrees F. Penetrates & undercuts ice fast & keeps on working all the way down to -25 degrees F - long after other deicers have given up. Easier on concrete & vegetation. Doesn't leave powdery residue.

494926370	50PELADOW	50 lb. Pail		ea
------------------	-----------	-------------	--	----

Safe Step® Pro Series™ 960 Choice Formula Ice Melter

Uses a blending process to ensure uniform distribution of optimal ingredients, allowing them to work together for maximum ice melting power. Perfectly sized granules formulated with MG 104® provide better melting and complete ice penetration, lasting 2 1/2 times longer than conventional ice melters. Although tough on ice, it is still safer for people, pets and vegetation. Won't harm concrete, carpets or floors when used as directed. Melts ice down to -10° F. Contains fewer chlorides, is less corrosive, and more environmentally friendly.

494922950		50 lb. Bag		ea
------------------	--	------------	--	----

Scotwood Excel Calcium Chloride

Melts to -25 F, 94-97% pure calcium chloride pellets.

494926558	EXCEL	50 lb. Bag		ea
------------------	-------	------------	--	----

Scotwood Road Runner Ice Melt

A blend that contains calcium and magnesium chloride pellets. Recognized as one of the most effective blends on the market. Begins melting immediately upon impact, generates melting heat fast. Needs fewer applications than rock salt. Melts effectively to -15° F. Safe on streets, driveways, sidewalks, steps and the environment when used correctly. Does not track. It is odorless and colorless.
