

C230C

Contactors 2 Pole 30 Amps 208/240 Coil Voltage

Features:

These definite purpose contactors meet UL508 specifications for devices up to 600 Vac.

- All single pole include shunt

- Includes lugs, spade terminals and covers
- Coils have class B insulation
- 50/60 Hertz

Item Specifications

Amps	30
Brand	Packard
Coil Voltage	208/240
Country of Origin	CHINA
F/L Inductive Amps	30
Hertz	50/60
Includes	Includes lugs spade terminals and covers
Insulation Class	Coils have class B insulation
Locked Rotor Amps 240/480/600	180/150/120
Number of Poles	2
Resistive Amps	40
UPC	840899100364
