FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination for outdoor spaces in residential and light commercial applications. Ideal for use in closets, utility rooms, stairwells or small areas where a compact fixture is needed. **If required for commercial application or operation more than eight (8) hours per day, consult factory for available options.**

Attributes: Rugged post painted low profile housing with secure tray for quick installation and wiring. Shatter-resistant, acrylic white diffuser provides soft widespread illumination with zip-lock design for easy lamp access, cleaning and superior retention. Comes standard with pull chain switch.

Includes (1) 15W or 17W linear T8 3000K fluorescent lamp for energy efficiency and long life.

Standard with electronic ballast (120 volt, 60Hz).

For use with non-dimmable switches only.

All mounting hardware included.

LISTINGS

CUL listed to US and Canadian safety standards and suitable for damp locations.

WARRANTY

2-year limited warranty. Complete warranty terms located at:

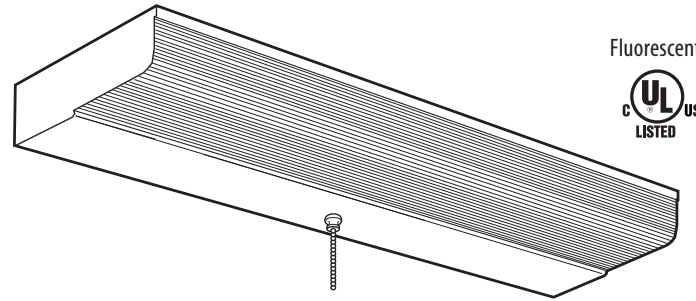

www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx

Note: Actual performance may differ as a result of end-user environment and application.
