

## Brawny Industrial® Heavy Duty HEF (Hydroentangle Fiber) Shop Towels (Flat Pack)

Heavy Duty shop towel made from hydro entangled fiber (HEF) are durable, reusable and stands up to cleaners and solvents.

### Description:

The Brawny Industrial® heavy duty shop towel in a flat pack is made from hydro entangled fibers (HEF) making them super soft, yet durable enough to resist tears. These wipers are compatible with most commonly used industrial solvents and stand up well in many general manufacturing and maintenance applications including vehicle maintenance. These low lint wipers provide a cloth-like feel engineered to deliver consistent performance and fast and effective wiping, making them a terrific replacement for more expensive cloth shop towels and rags.

### Features & Benefits:

- » Toughest industrial cleaning of oil and grease on machines and parts
- » Hydro entangled fiber (HEF) material works well with heavy as well as light oils, grease and solvents
- » Super soft, super tough versatile wiper ideal for general manufacturing and maintenance
- » Low lint helps alleviate damage from particle contamination
- » Solvent resistant wiper compatible with most commonly used industrial solvents
