

- Concentrated Formula
- Powerful Degreasing
- Free Rinsing

Heavy-Duty Industrial Cleaner / Degreaser

Renown Heavy-Duty Industrial Cleaner is a low VOC degreaser with the power to remove oil and grease from concrete, machinery and tools. It also is an effective stripper for finished floors, cleans ovens, grills and other hard surfaces. It replaces the use of high VOC, flammable solvents.

1 Gal. Part #: 320598
 USN #: 326445112

Effective:

Powerful formula quickly and effectively cuts through the heaviest industrial soils.

Versatile:

Can be used in a wide variety of cleaning/degreasing operations at many different dilution ratios.

Free Rinsing:

Leaves no residual film eliminating the need for excessive or repeated water rinsings.

Cost Effective:

Concentrated formula reduces product usage.

Use Information

This is a low VOC degreaser with the power to remove oil and grease from concrete, machinery and tools. It also is an effective stripper for finished floors, cleans ovens, grills and other hard surfaces. It replaces the use of high VOC, flammable solvents.

Product Specifications

pH.....	12.5 ± 0.5
Appearance	Clear Purple Liquid
Fragrance	Sassafras
Freezing Point	About 32 °F
Soluble in Water	Complete
Flash Point	185 °F

Ingredients

SOFT WATER (7732-18-5), BUTOXYETHANOL (111-76-2), SODIUM METASILICATE (6834-92-0), SODIUM HYDROGEN 5(OR 6)-CARBOXYLATO-4-HEXYL-CYCLOHEX-2-ENE-1-OCTANOATE (68127-35-5), UNDECETH-7 (34398-01-1), TETRASODIUM EDTA (64-02-8), DYE ALKALINE PURPLE LX10271 (PROPRIETARY), FULLSPARKLE FRAGRANCE (PROPRIETARY)

Directions for Use

To maximize the effectiveness of Heavy-Duty Industrial Cleaner always remove gross debris from the surface to be cleaned.

CLEANING/DILUTIONS: **DILUTE** Heavy-Duty Industrial Cleaner according to the soil conditions: General Duty Cleaning: 1:80 (1.5 oz. per gallon of water) Heavy Duty Cleaning: 1:15 (8.5 oz. per gallon of water) **APPLY:** the diluted product with a sprayer, foam gun, pressure washer, mop & bucket, autoscrubber, steam machine or by use of a dip tank.

AGITATE, machine scrub or brush soiled areas if necessary.

RINSE: the cleaned surface for best results. Do not use on glass. Not recommended for use for daily maintenance of resilient floors such as asphalt, linoleum, vinyl or rubber. Complies with USDA (A4) for use in federally inspected meat and poultry plants.

KEEP OUT OF REACH OF CHILDREN

Intended for Commercial and Institutional Applications

IMPORTANT: Use only as directed. Do not mix with anything unless recommended since harmful conditions and poor performance could result. Do not pour unused product back into original container. All floors are slippery when wet. To prevent falls, exercise care when working and block off traffic with "Caution" signs until floor is completely dry.
