Big D Metered Aerosols are a true odor counteractant specially formulated for industrial and institutional applications. The formula contains no 1-1-1 Trichloroethane or fluorocarbons and complies with all federal and state environmental regulations. Big D offers an assortment of fragrances containing our special odor neutralizers.

Big D Metered Insecticide (EPA registered) is manufactured with natural Pyrethrins to control both flying and crawling insects.

Big D Aerosol Dispensers work well in industrial and institutional areas such as restrooms, schools, hospitality, food service and property management. Big D has 3 models to choose from....a fully programmable dispenser, a light activated dispenser or the pre-programmed dispenser.

*Big D offers a complete line of products for
thorough cleaning, disinfecting and odor control.*

FULLY PROGRAMMABLE METERED DISPENSER

Big D remains on the cutting edge of technology with this state of the art metered aerosol dispenser. The fully programmable unit permits customized start and stop options. Its LED clock is set to 24-hour military time to ensure accuracy. May be programmed for either 5 or 7 day service. Spray intervals may be set from 1 to 60 per hour, allowing more controlled use of the product. Covers up to 6,000 cubic feet.

Product No. 717-Blue, Product No. 747- Gray, Product No. 767-Tan
Packed individually,
shipping weight 1.5 lbs.
20 per shipping case
Batteries not included

LIGHT-ACTIVATED METERED DISPENSER

Light activated, this dispenser can be programmed to turn off when there is no light in the room. Dispenser can easily be set to spray every 5, 15, or 30 minutes for 24 hour dispensing or to spray only at specific intervals when there are lights on in the room. It also has an indicator light which will tell you when aerosol canister needs replacing.

Covers 6,000 cubic feet.

Product No. 757

Packed individually,
shipping weight 1.5 lbs.

Batteries not included

UTILITY METERED DISPENSER

This automatic dispenser is a cost effective way to maintain constant deodorization. It is pre-programmed to dispense a deodorant spray every 15 minutes and is equipped with a built-in indicator light which alerts you when the aerosol canister needs replacing. Covers up to 6,000 cubic feet.

Product No. 797

Packed individually,
shipping weight 1.5 lbs.

20 per shipping case
Batteries not included

All of the above Big D dispensers operate on (2) D size alkaline batteries.

METERED CONCENTRATED ROOM DEODORANT

This product contains Big D odor counteractants that neutralize odors rather than mask them. Big D's metered products are environmentally compatible with all state governmental regulations, including California. The uniform actuator valve enables this canister to be used in most metered aerosol dispensers. Effectively deodorizes a 6,000 cubic foot area. Each 7 ounce can contains approximately 3,400 metered sprays.
