

52in Willard Indoor/Covered Outdoor Ceiling Fan

The 52" Willard fan by Seasons combines sleek modern styling with the latest advancements to enhance your indoor or covered outdoor living spaces. The rich matte black finish is complemented with 5 reversible blades in matte black and brown oak finishes. The integrated LED light kit features a frosted shatter resistant plastic shade that mimics frosted glass with that added benefit of not breaking if dropped during cleaning or installation. The light also allows you to choose between 3 different light color temperatures (soft white, warm white, or daylight). The powerful and quiet 3-speed fan motor is conveniently operated using the included pull chains and is also reversible for year-round comfort and energy cost savings.
