

## 44in Vega Indoor/Covered Outdoor Ceiling Fan

The 44 in. Vega fan includes convenient pull chain operation and reversible blades to offer more options to blend with your decor. This damp rated fan is perfect for use in covered outdoor locations like porches and patios and looks great indoors as well. The integrated LED light kit offers ample illumination and features a shatter resistant plastic shade that mimics frosted glass with the added benefit of not breaking if dropped during installation or cleaning. Installation is a breeze with Quick Fit features like a slide-on mounting bracket and twist and lock light shade.
