## 44in Bryza Indoor Ceiling Fan

Modern styling and energy efficiency make the 44 in. Bryza ceiling fan the perfect choice for any small room application. Seasons took the larger 52in Bryza fan and created a compact version without sacrificing style or function. The high efficiency blades move plenty of air and light kit comes with two 9.5-Watt LED bulbs. Installation is a breeze with QuickFit installation features like QuickInstall blades, twist and Lock shade, and a slide-on mounting bracket.

Twist and Lock Shade  
installs in seconds

Slide-on Mounting Bracket  
for quick and easy installation

QuickInstall Blades -  
No screws needed!

- Designed for indoor use
- Perfect for small rooms
- Modern styling
- 3-Speed reversible motor
