52in & 44in Ozark Indoor / Covered Outdoor Ceiling Fan

Modern style and performance combine in the Ozark indoor/covered outdoor ceiling fan from Seasons. The fan's striking silver finish is designed to blend with existing decor and is complemented with 5 reversible blades in white oak and silver finishes. This damp rated fan is designed for use in covered outdoor spaces like porches or patios and looks great indoors as well. The light kit features an easy-to-install twist and lock glass shade and uses two 9-Watt LED bulbs (included). The powerful and quiet 3-speed reversible motor is conveniently controlled via the pull chains for year-round comfort.
