

Dusk-To-Dawn PAR30 Lamp

L11PAR30DTD50K

75W REPLACEMENT
11W LED

OVERVIEW

The Simply Conserve® Dusk-To-Dawn PAR30 Lamp makes illuminating outdoor areas effortless by using an integrated ambient light sensor to automatically turn it on at night and off during the day. Featuring a narrow, intense beam, it's perfect for exterior fixtures and spotlighting architectural elements, pointing out features, or accenting hardscape and décor. Beautify buildings and landscapes for years to come, increase safety, and save up to 80% in energy costs vs. incandescent bulbs.

FEATURES

- **Fully Integrated Photocell**
Brings on/off control to the product based on available daylight. No need to rely on manual switches.
- **Long-Lasting Performance**
Using up to 80% less power and lasting up to 22x longer, these bulbs save energy and lower bills for years to come.
- **25,000-Hour**
This lamp's rated average life expectancy is nearly 6 years when used 12 hours/day.
