

BUST THE NUT to Eliminate Costly Callbacks!

The breakthrough, patented STA-TITE® toilet seat fastening system locks toilet seats tight, eliminating contractor callbacks for loose seats.

Unique finned
bushing prevents
shifting in
mounting holes.

Nut shears off at
precise torque
every time to
lock down seat!

Integrated washer
provides superior
clamping force.

U.S. Patent #8,281,420

STATITE®

Commercial Fastening System™

A breakthrough in toilet seat installation improves mounting hardware from top to bottom, from inside out. It's a simpler, more secure system that cuts installation time by a third and prevents toilet seat loosening.
