EasyNap® dispensers and napkins provide a full line of napkin dispensing options to meet versatile operational needs. Using EasyNap® napkin refills with the EasyNap® dispensing system can reduce your napkin usage by up to 30%.\*

### Features and Benefits:

- Our EasyNap® 1-Ply EPA Compliant, interfolded napkin refills come in brown or white
- Introducing the new EasyNap® 2-Ply, interfolded dispenser napkin – the thickest and softest EasyNap® napkin ever, and can be used with any EasyNap® dispenser\*
- One-of-a-kind folded design (folded size is 6.5" x 5")
- Take only the napkins you need with one-at-a-time dispensing
- Packages are easy to open, easy to load and sized for optimum dispenser refilling and storage

### Cost-In-Use

- Fast and easy for employees to load, saving labor costs

*\*Independent market research has proven napkin usage is reduced by 30% when switching from a standard MorNap® style napkin to the EasyNap® dispenser in a QSR environment, and that napkin usage is reduced by 56.6% when switching from a standard tall fold style napkin to the EasyNap® Tabletop dispenser.*

### Environmental

- All three napkin refills are made of 100% recycled fiber and are EPA Compliant with a minimum of 30% Post-Consumer fiber
- Reduces waste

### Performance

- All three napkin refills fit all EasyNap® dispensers – tower and wall mount, in-counter, counter top and table top models
- One-at-a-time dispensing reduces usage and helps provide a more hygienic operation
