

How do folded paper towels stack up against our SofPull® Automated Touchless Towel Dispenser? Well, they tend to stack up on the counter, in the trash can, on the floor...

The SofPull® Automated Touchless Towel Dispenser is an ideal choice to help improve your business image.

Enhances Image

A sleek design and contemporary finish complement any décor making it look and feel more upscale while enhancing customer perception of your entire business.

Reduces Cost in Use

Saves up to 40% in usage when compared to GP multifold towels.* One-at-a-time towel dispensing helps reduce waste.

Improves Hygiene

Helps reduce risks of cross-contamination.
Helps create a healthier workplace.

Space Saving

Smaller profile fits great in small spaces.
Ideal for the breakroom.
Small cube case holds up to 4,500 hand towels.

*Proprietary Georgia-Pacific research when compared to GP's 20204 multifold towel.

Which restroom would you prefer?

The SofPull® Automated Touchless Towel Dispenser is an ideal choice to help improve your business image.
