

SofPull®

SofPull® Centerpull Towel Dispensers

Clean is just a single pull away

 **Georgia-Pacific**
Professional

Affordable quality and performance

The SofPull® centerpull towel system is a smart choice for areas that demand flawless dispensing. With exceptional performance and quality, SofPull® towels deliver on softness and absorbency. In addition, unlike any other centerpull towel dispenser in the industry, SofPull® dispensers feature a low paper indicator to alert staff to ensure timely refills and prevent product run-out.

Enhances Image

- Contemporary design
- Premium quality towel

Improves Operational Efficiency

- One-at-a-time dispensing minimizes waste
- Innovative low paper indicator triggers at approximately 50 sheets to ensure timely refills
- High capacity dispensers available for extended service intervals
- Easy to load, self-threading

Promotes Hygiene

- Touchless dispensing minimizes the risk of cross contamination
- Soft, absorbent towel dries hands quickly

And that's not all...

- The perfect size for every need: High Capacity (560 sheets); Regular Capacity (320) or Junior Capacity (275 sheets)
- Durable construction to maintain aesthetics
- Dispensers can be mounted so towels dispense in any direction
