

SCOTWOOD INDUSTRIES, INC.

## STORING ICE MELT

Ice melt can last up to 3-4 years if product is stored properly. Please follow the directions below to extend the life of your product:

- Storing product in a climate controlled structure is preferred.
  - Pallets must be properly shrink-wrapped and sealed.
- Open bags must be sealed tightly or placed in a sealed plastic container.
  - Keep product off the ground on a pallet.
  - Packaging must be kept dry.

**Disclaimer:** Scotwood Industries is not responsible for any damages.

**Thank you!**
