ELITE Series

LED Omni-Directional A-Lamp

LED 25,000 Hours average rated life, 120 Volts

Applications:

Ideal for applications where uniform multi-directional light output is required.

- + General Lighting
- + Table Lamps
- + Floor Lamps
- + Sconces
- + Ceiling Fixtures

Features

Up to 80% less energy than halogen alternatives

Long life

Smooth, clean outside housing

Very low heat generation

Excellent Color Consistency and CRI

UL approved for damp location and enclosed fixtures

Shatter resistant

ANSI construction compliant

Benefits

Instant energy savings

Minimizes replacement and maintenance costs

Seamlessly blends into lighting applications.

Perfect for sensitive display lighting such as art galleries.

Enhances colors of focal point while maintaining uniformity throughout lighting installation from lamp to lamp.

Can be used outdoors when protected from elements. Withstands humidity indoors/outdoors.

Lower the risk of injury and breakage

Fits all A-Lamp sockets

CREATING BEAUTY

TCP has a **20-year history in energy-efficient lighting.**

Thanks to our **cutting edge technology** and deep manufacturing

expertise, we have shipped literally billions of high quality lamps and

our **integrated technology** and manufacturing

provides **expedited time-to-market.** With TCP, you can

count on unique lighting products designed to meet very specific needs –

lighting that transforms your surroundings and envelopes you in warmth –

lighting that generates beauty with every flip of the switch.
