HEAVY-DUTY

Buckets & Trays

Wide Boy™ Bucket & Lid

High-production 5-gallon bucket for large jobs. Built-in 19" wide roll-off grid. Sturdy no-tip design; heavy-duty 5/16" galvanized bail with comfort grip for moving when filled. Durable, seamless, green™ polypropylene resists solvents and paint buildup. 14" L x 24" W x 10" D. Lid protects paint from debris and skim-over on the job, stores paint and tools for days. Made of gray, solvent-resistant PET, a recycled plastic.

Big Ben® Paint Tray

"All in One" tray, excellent for 9", 14" and 18" frames. Holds one gallon of paint and a miniroller, brush, and 9" roller together. Stiffer than similar plastic trays to evenly load the roller. Lighter than comparable metal trays. Handy edge compartments hold brushes and tools off the floor. Green polypropylene resists solvents and paint buildup for easy cleaning. 16" L x 21" W x 4" D.

4-Gallon Bucket & Lid

Saves startup and cleanup time. Built-in 10" wide roller grid. No-tip design; extra-strong 1/4" galvanized bail with comfort grip. Sloped bottom keeps paint at the front of this seamless, green bucket. Easy on and off tan lid prevents skim-over on the job, stores paint and tools for days. Bucket and lid made of durable polypropylene to resist solvents and paint buildup. 13½" L x 15" W x 9" D.

Speed Bucket™

Quickly brush and roll with one bucket. Convenient, medium-sized pail works with all covers 7" or smaller. Powerful, integrated magnet holds a brush by its ferrule; won't rust or trap paint. Large 1/2-gallon capacity means less labor to refill. Built-in grid with extra ribbing, and legs for added stability. Made from durable polypropylene, it resists paint buildup so cleaning is easy. 11½" L x 11¼" W x 8¾" D.

Pelican® Hand-Held Pail & Liner 3-Pack

Use with a brush and miniroller for quick painting. Built-in grid works with all rollers 4½" or smaller. Powerful integrated magnet holds a brush; won't rust or trap paint. Soft-feel security strap automatically expands for larger hands; side indents for better grip and control. Made of durable polypropylene to resist solvents and paint buildup. 8½" L x 7" W x 6½" D. Rigid, form-fitting liners are great for quick color changes, eliminate cleanup. Made of clear, solvent-resistant PET, a recycled plastic.

Hefty Deep-Well™ Tray & Liner

Handles the big jobs with large width and capacity. Made of heavy-gauge, rust-resistant steel with a bright finish. Sturdy, ribbed roll-off area and legs to keep the tray level. 19" L x 13" W x 4" D. The R408 form-fitting liner makes cleanup much easier and extends the life of the tray. Made of clear, solvent-resistant PET, a recycled plastic.

Deluxe Metal Tray & Liner

Deluxe-quality, made of rust-resistant steel with a bright finish. Generous width. Durable welded legs to keep the tray level. 16½" L x 11" W x 2½" D. The R406 form-fitting liner eliminates cleanup and extends the life of the tray. Made of clear, solvent-resistant PET, a recycled plastic. The BR496 bulk pack of liners is packaged in a convenient, resealable bag.
