

Why your customer needs the HPC Automotive Super Jaw Kit

Cutting double-sided automotive keys has typically required special shims and wires that are easily lost or damaged. The locksmith needs a fast and accurate method of producing these highly specialized and profitable keys.

How to sell the HPC Automotive Super Jaw Kit

Key Selling Points:

- * **Expands your Blitz™!**

The Automotive Super Jaw easily attaches to the popular HPC Blitz™ Code Cutting Machine in seconds, eliminating the need for shims or time-consuming measurements.

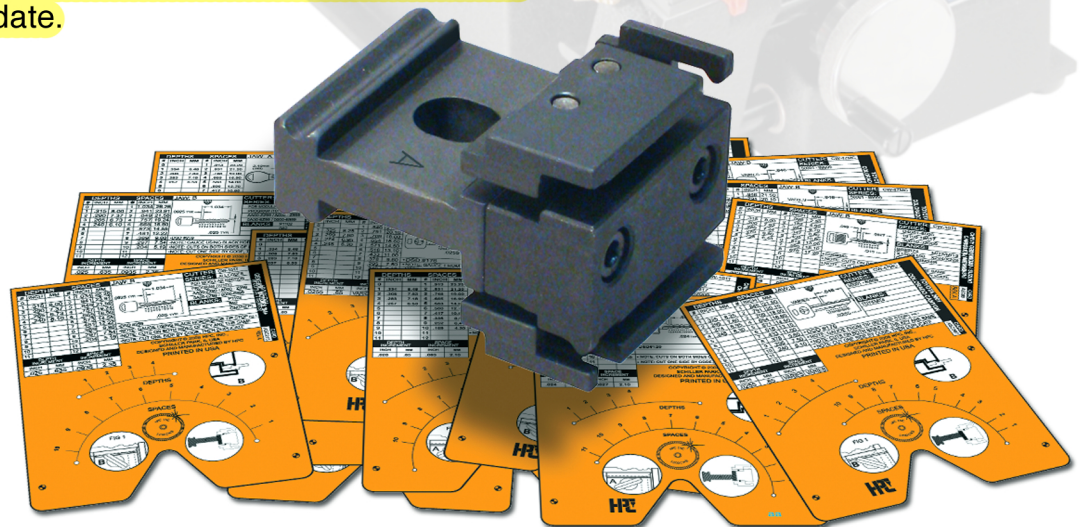

- * **Increases profits and customer satisfaction!**

Less time equals more profit for the locksmith. The HPC Automotive Super Jaw Kit will insure the customers get their key and are back on the road fast! A happy customer is a repeat customer!

- * **Everything you need in one kit!**

The HPC Automotive Super Jaw Kit comes complete with everything you need, including 20 new code cards to keep you up-to-date.
