

HDQ Neutral[®]

one-step disinfectant

HDQ Neutral is a one-step hospital use germicidal disinfectant cleaner and deodorant designed for general cleaning, and disinfecting of hard, non-porous environmental surfaces. It cleans quickly, removing dirt, grime, mold, mildew, body oils and other common soils found in hospitals, nursing homes, schools and colleges, offices, kennels, hotels, motels and public areas and restrooms. HDQ Neutral will not harm floor finish gloss, providing cost savings by eliminating the labor time needed to rinse; thereby reducing overall floor maintenance costs.
