

**SAFETY DATA SHEET**  
**Appeal Antibacterial Foaming Hand Soap (BAC)**

**1. Identification**

Product identifier

Product name                    Appeal Antibacterial Foaming Hand Soap (BAC)  
Item Number                    APP17201-04  
Internal identification        26111/0000

Recommended use of the chemical and restrictions on use

Application                    Antibacterial hand soap

Details of the supplier of the safety data sheet

Supplier                        Interline Brands  
                                      Jacksonville, Florida 32207

Manufacturer                Deb USA, Inc.  
                                      1100 South Highway 27  
                                      Stanley, North Carolina 28164 USA  
                                      704-263-4502 (Fax)  
                                      704-263-4240

Emergency telephone number

Emergency telephone        Chemtrec 800 424 9300 (24 hour)

**2. Hazard(s) identification**

Classification of the substance or mixture

Physical hazards            Not Classified  
Health hazards              Eye Irrit. 2B - H320  
Environmental hazards    Not Classified

Label elements

Signal word                 Warning  
Hazard statements         H320 Causes eye irritation.  
Precautionary statements P305+P351+P338 If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.  
                                      P337+P313 If eye irritation persists: Get medical advice/ attention.

**3. Composition/information on ingredients**

Mixtures

Composition comments     Aqua (Water), Glycerin, Lauramine Oxide, Butylene Glycol, Lactic Acid, Salicylic Acid, Benzalkonium Chloride, Parfum (Fragrance), Green 5 (CI 61570), Yellow 5 (CI 19140).

**4. First-aid measures**

Description of first aid measures

## Appeal Antibacterial Foaming Hand Soap (BAC)

Inhalation	Not relevant. Unlikely route of exposure as the product does not contain volatile substances.
Ingestion	Rinse mouth thoroughly with water. Get medical attention if any discomfort continues.
Skin Contact	Not applicable.
Eye contact	Make sure to remove any contact lenses from the eyes before rinsing. Promptly wash eyes with plenty of water while lifting the eye lids. Get medical attention promptly if symptoms occur after washing.

### Most important symptoms and effects, both acute and delayed

Inhalation	No specific symptoms known.
Ingestion	No specific symptoms known.
Skin contact	Prolonged skin contact may cause redness and irritation.
Eye contact	May cause temporary eye irritation.

### Indication of immediate medical attention and special treatment needed

Notes for the doctor	No specific recommendations.
----------------------	------------------------------

## 5. Fire-fighting measures

### Extinguishing media

Suitable extinguishing media The product is not flammable. Use fire-extinguishing media suitable for the surrounding fire.

### Special hazards arising from the substance or mixture

Hazardous combustion products No known hazardous decomposition products.

### Advice for firefighters

Protective actions during firefighting No specific firefighting precautions known.

## 6. Accidental release measures

### Personal precautions, protective equipment and emergency procedures

Personal precautions Avoid contact with eyes.

### Environmental precautions

Environmental precautions Not considered to be a significant hazard due to the small quantities used.

### Methods and material for containment and cleaning up

Methods for cleaning up Flush away spillage with plenty of water. Avoid runoff into storm sewers and ditches which lead to waterways.

Reference to other sections For waste disposal, see Section 13.

## 7. Handling and storage

### Precautions for safe handling

Usage precautions Avoid contact with eyes.

### Conditions for safe storage, including any incompatibilities

Storage precautions Keep only in the original container.

### Specific end uses(s)

Specific end use(s) The identified uses for this product are detailed in Section 1.

## 8. Exposure Controls/personal protection

# Appeal Antibacterial Foaming Hand Soap (BAC)

## Exposure controls

Appropriate engineering controls	Not relevant.
Eye/face protection	Not required normally but wear eye protection if you are conducting an operation where there is a risk of this product getting in the eyes.
Hand protection	Not applicable.
Respiratory protection	No specific recommendations.

## 9. Physical and Chemical Properties

### Information on basic physical and chemical properties

Appearance	Liquid
------------	--------

## 10. Stability and reactivity

Reactivity	There are no known reactivity hazards associated with this product.
Stability	Stable at normal ambient temperatures.
Possibility of hazardous reactions	Not known.
Conditions to avoid	There are no known conditions that are likely to result in a hazardous situation.
Materials to avoid	No specific material or group of materials is likely to react with the product to produce a hazardous situation.
Hazardous decomposition products	Does not decompose when used and stored as recommended.

## 11. Toxicological information

### Information on toxicological effects

#### Respiratory Sensitization

#### Eye Irritation/Damage

Toxicological effects	All ingredients are well known and have a history of safe use in the marketplace with no reports of a significant number of adverse reactions.
-----------------------	------------------------------------------------------------------------------------------------------------------------------------------------

#### Skin Sensitization

Inhalation	No specific health hazards known.
------------	-----------------------------------

Ingestion	May cause gastrointestinal irritation or discomfort with nausea, vomiting and diarrhea if swallowed.
-----------	------------------------------------------------------------------------------------------------------

Skin Contact	Skin irritation should not occur when used as recommended.
--------------	------------------------------------------------------------

Eye contact	May cause temporary eye irritation.
-------------	-------------------------------------

## 12. Ecological Information

Ecotoxicity	Not regarded as dangerous for the environment.
-------------	------------------------------------------------

### Bioaccumulative potential

Bio-Accumulative Potential	No data available on bioaccumulation.
----------------------------	---------------------------------------

### Mobility in soil

## Appeal Antibacterial Foaming Hand Soap (BAC)

Mobility                                          The product is soluble in water.

### Other adverse effects

Other adverse effects                          None known.

## 13. Disposal considerations

### Waste treatment methods

General information                          When handling waste, the safety precautions applying to handling of the product should be considered.

Disposal methods                                  Dispose in accordance with local, state and federal regulations.

## 14. Transport information

Road transport notes                          Not classified.

Rail transport notes                            Not classified.

Sea transport notes                            Not classified.

Air transport notes                            Not classified.

### UN Number

Not applicable.

### UN proper shipping name

Not applicable.

### Transport hazard class(es)

Not applicable.

### Packing group

Not applicable.

### Environmental hazards

Environmentally Hazardous Substance

No.

### Special precautions for user

Not applicable.

Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code                          Not applicable.

## 15. Regulatory information

Regulatory Status                                  This product is manufactured and labeled in compliance with the Federal Food, Drug, and Cosmetic Act, and is exempt from the labeling requirements of the OSHA Hazard Communication Standard. All components of this product are either on the TSCA 8(b) inventory or otherwise exempt from listing.

## 16. Other information

Revision comments                                  R&D

SDS No.                                                  21384

Hazard statements in full                          H320 Causes eye irritation.

ACA HMIS Health rating.                          Minimal hazard. (0)

## Appeal Antibacterial Foaming Hand Soap (BAC)

ACA HMIS Flammability rating.	Will not burn. (0)
ACA HMIS Physical hazard rating.	Normally stable. (0)
ACA HMIS Personal protection rating.	N/A.
Notes For Risk Phrases And Hazard Statements In Full	The full text for Risk Phrases and Hazard Statements in section 16 relates to the reference numbers in sections 2 and 3 and not necessarily the finished product classification.
