

Diversey

End Bac® II Spray Disinfectant

A quaternary-based aerosol germicide for disinfecting and deodorizing pre-cleaned surfaces.

Broad Spectrum Activity

- Kills gram positive and gram negative bacteria
- Kills Staphylococcus aureus and Pseudomonas aeruginosa, Streptococcus hemolyticus on hard, non-porous environmental surfaces

Controls Mold and Mildew

- Controls the growth of fungus, mold and mildew on hard non-porous environmental surfaces
- Ideal for locker rooms, shower stalls, floors and benches

Odor Control

- Eliminates odors at their source, does not just mask odors

Versatile

- For use in hospital rooms, sick rooms, doctor examining rooms, bathroom and locker room facilities on hard, nonporous environmental surfaces

End Bac® II

Spray Disinfectant

Use Directions

- Prior to application, thoroughly clean all surfaces to be treated to remove gross filth or heavy soil.

Disinfectant

- Hold can upright and spray from a distance of 6 to 8 inches until area for treatment is thoroughly moistened. Allow to remain wet for 10 minutes before wiping or allow to air dry.

Control of Mold and Mildew

- Spray surface until thoroughly moistened. Allow to air dry. Repeat application in 7 days.

Control of Fungus

- Spray surfaces until thoroughly moistened.
- Allow to air dry.

Product Specifications

Description

EPA Reg. No.	67603-4-70627
Flash Point	< 0° F (propellant)
pH	11.13
Scent	Fresh
Shelf Life	1 year
Solubility	Complete
Specific Gravity	0.898

Available Items

Product Code	Description/Package Size	Dilution
04832	12 x 15 oz. / 425 g Aerosol Cans	Ready-To-Use

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
