

REN02107

WHITE UTILITY PAD

Features:

- Designed for light duty cleaning of delicate surfaces such as glass and ceramic tile
- Consistent performance over pad life
- Use on swivel pad holders to clean floor surfaces that can't be reached with standard equipment

Description

This product is a floor scrubbing pad made of polyester fibers. Soft abrasive particles are dispersed throughout and bonded to the non-woven construction. The pads are nominally one inch thick and sized to fit standard swivel pad holders.

Use

This product is used for light duty cleaning of hard surfaces. The pads are designed for use with the swivel pad holder system to reach floor areas not accessible to standard floor machines.
