

Premium Wood Polish— RTU Handi Spray®

PRODUCT DESCRIPTION:

Premium Wood Polish is a ready to use liquid, silicone based formula designed to produce a quick shine without an oily residue.

SURFACE SAFE:

This product is great for practically any wood surface, such as wood paneling, wood veneer, as well as washable surfaces like Formica, vinyl, and lamination. Therefore, it can directly help to beautify almost any finish.

HIGH SHINE WITH PROTECTION:

Premium Wood Polish contains both carnauba wax and silicone to not only protect wood finishes, but also create a high gloss shine that is slow to dull.

PLEASANT TO USE:

Premium Wood Polish features a light, citrus scent that is sure to freshen any room!

DIRECTIONS FOR USE:

Flip Top Dispensing Method:

1. Open flip top cap and apply Premium Wood Polish to a clean, dry cloth or directly onto surface.
2. Use soft absorbent cloth and spread polish. Buff, turning cloth until high gloss appears.

Spray Method:

1. Hold bottle 8 inches away and spray Spartan Premium Wood Polish onto clean, dry cloth or directly onto surface.
2. Use soft, absorbent cloth and spread polish. Buff, turning cloth until high gloss appears.

PACKAGING:

Spartan Premium Wood Polish is available in gallons, 4 per case; and in silk screened, carafe style RTU Handi Spray quarts with flip top closures, 12 per case. Each case includes 3 trigger sprayers.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.

GUARANTEE:

Spartan's modern manufacturing and laboratory control insure uniform quality. If dissatisfied with performance of product, any unused portion may be returned for credit within one year of the date of manufacture.
